Create IBM Watson IoT Platform And Device

The screenshot displays the IBM Cloud console interface for the IBM Watson IoT Platform. The browser address bar shows the URL: `cloud.ibm.com/services/iotf-service/crm%3Av1%3Abluemix%3Apublic%3Aaio%3Aa%2Fe1202844bc1943d9b5a8370152b297ee%3Aa%2F9292d77-8f9...`. The console header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user's account (Anitha S's Account). The main content area is titled "Internet of Things Platform-hj" and shows a status of "Active". A sidebar on the left lists "Manage", "Plan", and "Connections". The main content area features a large graphic of a central square with four lines extending from it, each ending in a small circle, representing a network or device connection. To the right of this graphic, the text "Let's get started with IBM Watson IoT Platform" is displayed, followed by a description: "Securely connect, control, and manage devices. Quickly build IoT applications that analyze data from the physical world." Below this text are two buttons: "Launch" and "Docs". Further down, a section titled "Ready for the next level?" introduces the "IBM Watson IoT Platform Journey". This section contains three cards: "Lite", "Non-Production", and "Production". The "Lite" card is highlighted with a checkmark icon and describes a lightweight development environment. The "Non-Production" card features a circle icon and describes a full-featured, fully-integrated offering. The "Production" card features a circle icon and describes a fully managed SaaS offering. The bottom of the screenshot shows the Windows taskbar with the search bar, taskbar icons, and system tray information indicating the time as 02:32 PM on 05-11-2022.
